

Parent Survey 2016

Midsomer Norton Primary School
Staff Presentation

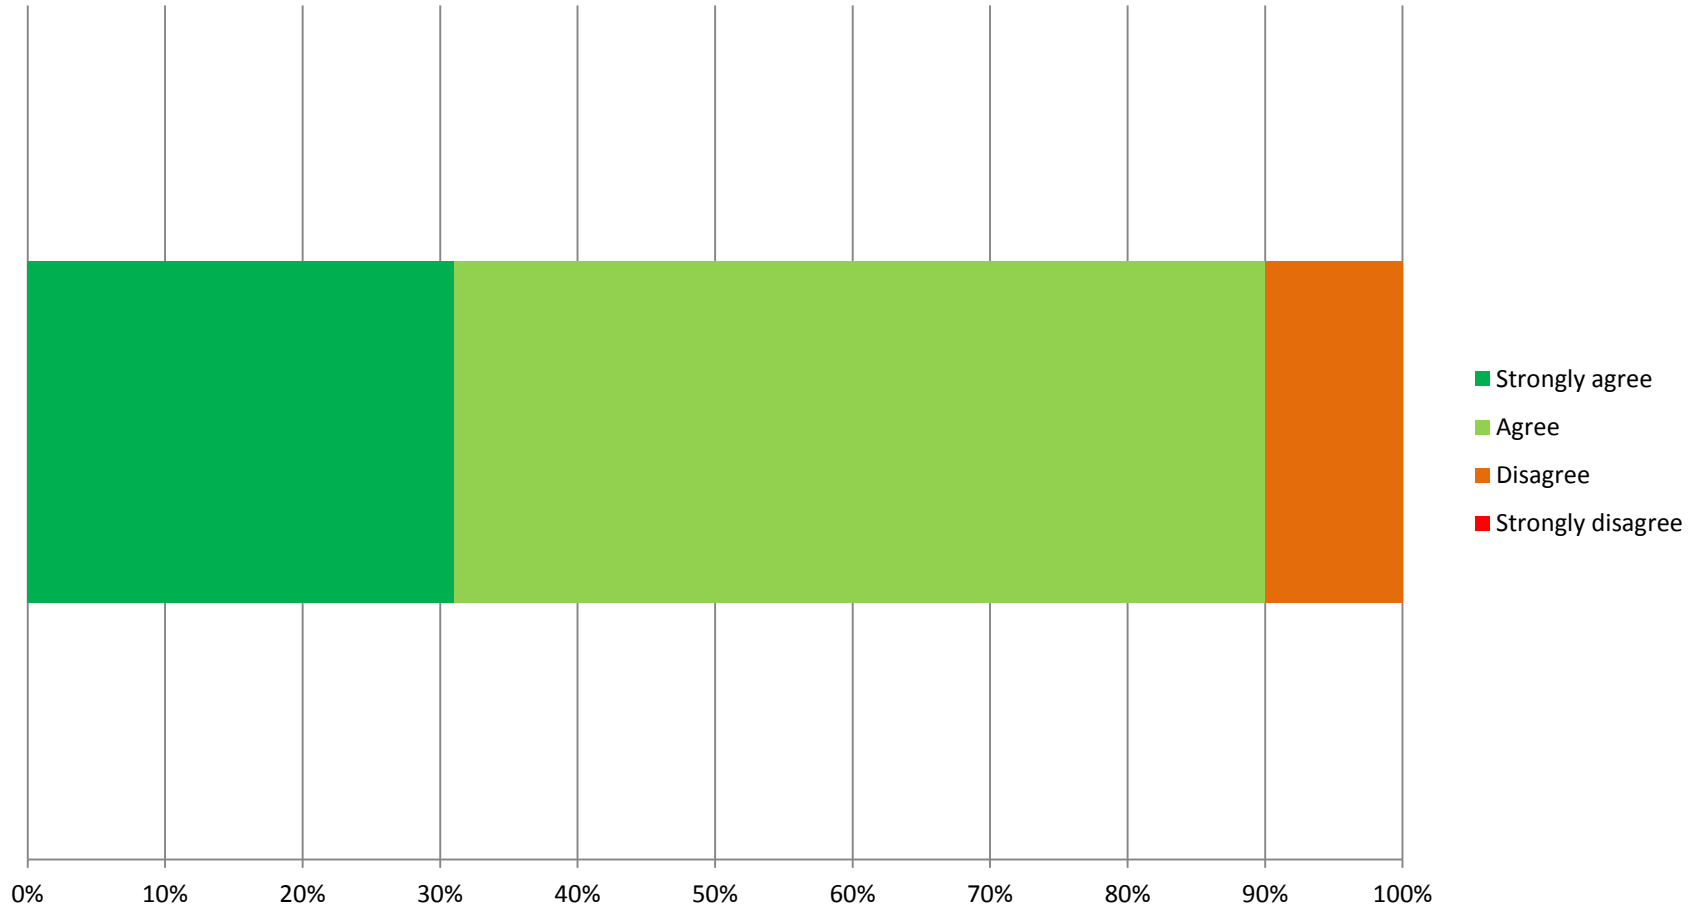

I would recommend this school to another parent

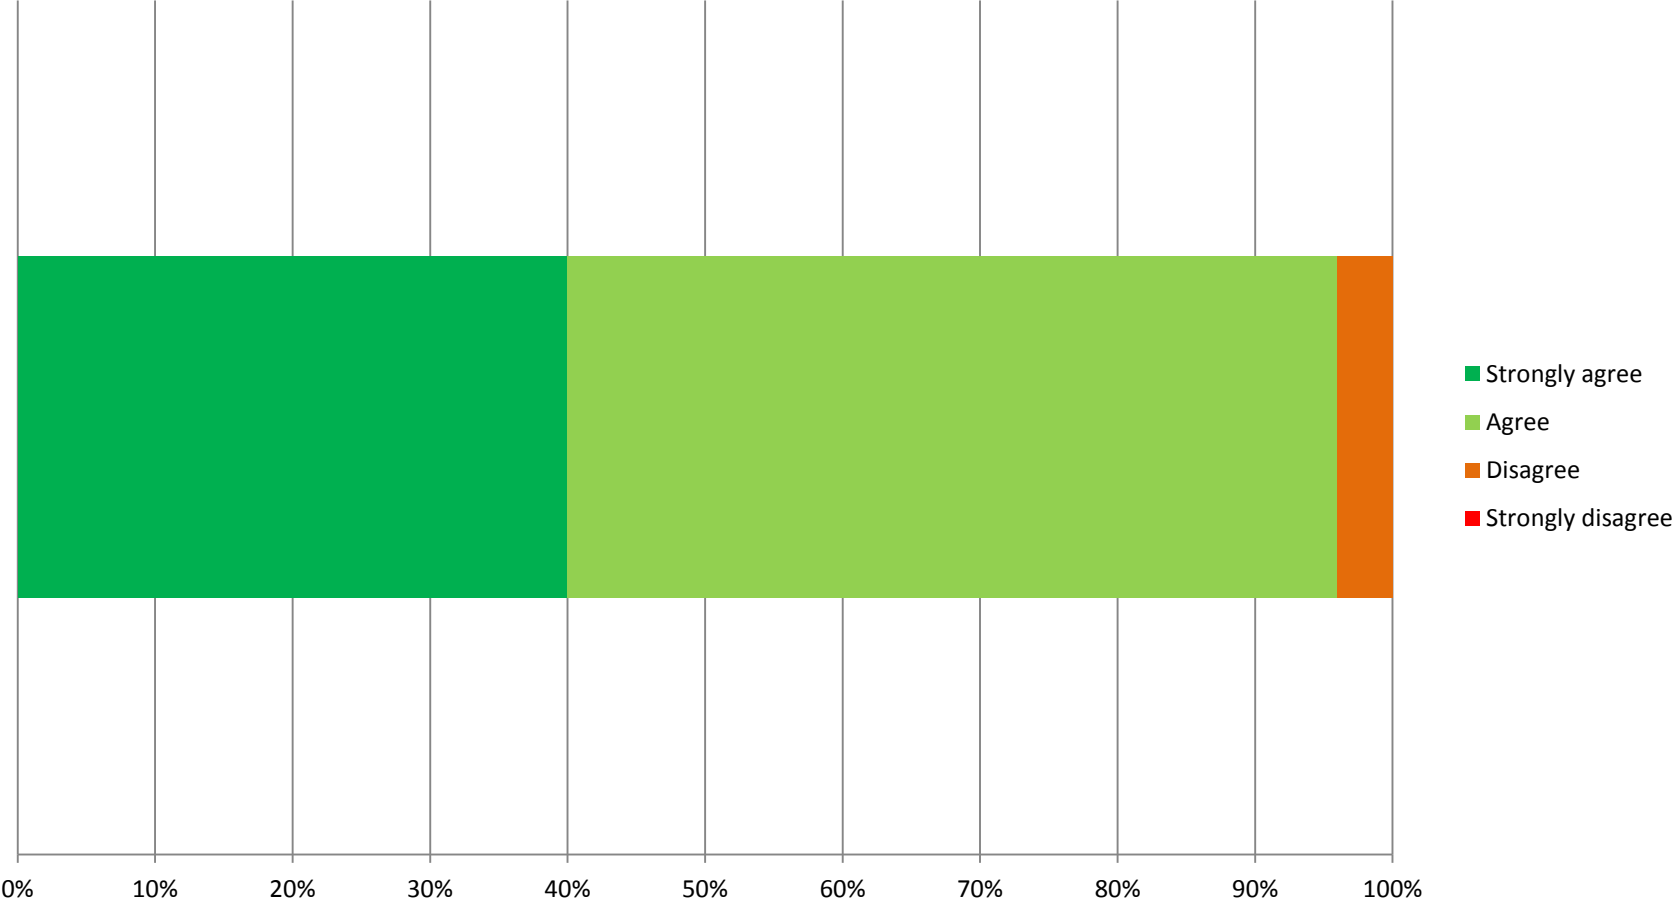

The teaching is good at this school

My child is making enough progress at this school

The school keeps my child safe

What the parents said...

“School offers a great wide range curriculum and after school activities. Teachers are all enthusiastic and you can see the enjoy their role.”

“I recently raised a concern and the teacher listened and reassured me at that point, but also followed it up later with an update.”

“I have had two children go through this school and have been pleased with the progress and overall experience they have received. The office staff are always welcoming and helpful I always feel I can go in and ask about anything I am not sure about.”

Even better if...

- After School Provision most negative score
 - Limited opportunities
- **So what are we doing?**
 - significant improvements to the Clubs programme
 - Full list available on the school [website](#)

Even better if...

- Communicating with parents about their child's academic progress:
 - Years Groups post on website:
 - Learning focus for the current week
 - Homework (compulsory & suggested)
 - Learning focus for next week
 - Suggested vocabulary to discuss with your child

Even better if...

- Managing behaviour in the school:
 - Focussing on the playground
 - Consultation between Children & Staff
 - Establishing what is acceptable behaviour.
 - Consistency is important
 - Established through good internal communication
 - Ongoing training
 - Parents need to understand that flexibility in our approach is not a sign of inconsistency.
 - Some situations need a different approach

In summary

- Generally positive scores
 - Parents positive about Recommending the School
 - The teaching is good
 - Children make progress
 - Children are safe
- Clubs & Communication could be better
 - We are working on it!
