

MIDSOMER NORTON PRIMARY SCHOOL

Pupil Premium Reporting to Parents

We are committed to improving opportunities for personalised learning and accelerating progress for vulnerable pupils in our school.

Principles

At Midsomer Norton Primary School:

We ensure that teaching and learning opportunities meet the needs of all the pupils

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. As a school we are committed to catering for the needs of all, regardless of whether they qualify for additional funding.

Pupil Premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources mean that different children receiving free school meals will receive their Pupil Premium interventions at different points in the year

All our work through the Pupil Premium will be aimed at accelerating progress, enabling children to progress at least in line with age-related expectations

Pupil Premium resources may also be used to support able children on FSM working at a greater depth within the expected standard at the end of KS1 and KS2.

The school will publish information on how they have used their Pupil Premium Grant to address the issue of 'narrowing the gap', for socially disadvantaged pupils

Rationale

PPG is used to part fund key interventions and opportunities for vulnerable children and priority is given to children eligible for PPG.

Evidence

The interventions and strategies funded are based on the evidence of effective interventions provided by the Education Endowment Foundation and the school's own internal tracking data.

The use of pupil premium funding is regularly reviewed for its effectiveness by school governors.

Impact of pupil premium and planned expenditure for 2016-2017

In 2015/16 Midsomer Norton Primary School received £64,680 for Pupil Premium.

Impact Statement 2015/2016

For children eligible for PPG:

- At the end of Key Stage 2 50% reached the expected standard in reading and maths. 25% reached the expected standard in Writing (1 child = 25%, 3 children on the SEN register).
- At Key Stage 1, 77% reached the expected standard in reading, 46% in writing and 61% in maths.
- At the end of Year 2 85% had met the expected standard in phonics.
- Breakfast club continues to provide a calmer start for PPG pupils and has improved lateness and behaviour
- PPG children receiving support from our Learning Mentor have benefitted from on-site instant support. This has resulted in improved behaviour for learning.
- PPG children receiving one to one reading support have all made progress
- Booster groups – Key Stage 1 phonics : 71% reached the expected standard
- Levels of attainment for PPG children at EYFS and Key Stage 1 remain a priority.

PPG for 2016-2017

For the school year 2016/17, Midsomer Norton Primary School has received £84,480 for Pupil Premium.

The funding is allocated towards the following:

- We will continue to provide and develop all the interventions and support we have provided in recent academic years and are planning to provide booster classes for year 2 and year 6 from January.
- We will continue to offer financial support for school trips, school uniform and after school clubs for pupils in receipt of PPG is planned this year. We will ensure regular communications emphasise the support available.
- We will continue to fund places at Breakfast Club.
- Enrichment though the Forest School will be prioritised for pupils in receipt of PPG to expand involvement of those children
- Increased ICT support to improve attainment for children in receipt of PPG with a particular focus on phonics and reading including investment in support during school time and online resources accessible from home.
- We will continue to provide in-school lunch time provision for those children who do not have internet access at home.
- We will re-assign tablets for use by small groups in school investing in secure charging units and train staff in using appropriate software.
